

PUTTING THE OKANAGAN BACK TO WORK ONE STEP AT A TIME.

We are proud to announce that Okanagan Staffing Services Inc. has partnered with Jordan Renwick, President of JR Sport Elite, to promote and sell a new revolutionary surface disinfectant called **Bacoban**. This new disinfectant will offer employees and businesses a new tool for disinfecting high-risk touch points within offices to ensure maximum protection against pathogens in the workplace.

Key Features

- Health Canada DIN registered product, medical grade disinfectant
- Over a decade of use in Europe
- No volatile organic compounds that cause irritation to users
- Dermatology tested unlike other chemicals that are not
- Fragrance free and controls odor
- 99% Water-based so does not corrode or damage surfaces
- No Alcohols, Phenols, or Aldehydes
- Destroys 99.99% of Viruses, Bacteria and Fungi
- Complete efficacy lists available
- Patented Controlled Release Technology protects surfaces for much longer periods than traditional chemical disinfectants
- Can be applied to many surfaces, including sensitive equipment, such as cell phones, laptops, screens, credit machines or on service counters/plexiglass as it will not streak

Orders can be placed on Pay Pal at jr sportelite.com or by calling Okanagan Staffing Services for assistance. **JRBAC02: \$29.95/750 ml bottle** (plus taxes) - 12 per case

JRBAC03: \$139.95/4-litre refill (plus taxes) - 4 per case

Preferred pricing available upon request.

Active ingredient: Alkyl benzyl dimethyl ammonium chloride 0.3057%
